

Texas Renaissance Festival

School Days

November 6 & 7, 2018

Step Into History!

The Texas Renaissance Festival invites all public, private and homeschool educators and students to join us for the 14th Annual School Days. The School Days Program is offered exclusively as an educational opportunity. The festival grounds will not be open to the general public. It is designed to be age appropriate for students and all events, shows and activities will be both educational and entertaining. Students, teachers and chaperones are invited to join the fun and come in costume.

Students step back in time as they enter the sights and sounds of New Market Village, an authentic recreation of a 16th century European Village. Students will interact with hundreds of costumed characters representing the politics, culture, art, science and literature of the Renaissance Period. School Days is a place where history comes alive to allow students to learn in a whole new way!

Jousting knights, musicians, jesters and magicians perform on stages and arenas throughout the village. Students will have the opportunity to learn courtly dances, the ancient art of falconry, and the history of arms and armor. Artisans in period dress illustrate the technological advances of the Renaissance age through live demonstrations in pottery, glass blowing blacksmithing, armor making and other arts and trades of this amazing period.
